1. In line with the continued implementation of the **DepEd Error Watch Initiative** as stipulated in **OUA Memo 00-1020-0138**, and in response to the Department's call for an improved system of receiving, validating, and resolving errors found in learning resources (LRs), the **Schools Division of Batanes** hereby establishes its **Localized Error Watch Team (LEWT)**.
2. This initiative aims to ensure that all LR being used in the field—whether printed or digital, and regardless of origin—uphold the highest standards of accuracy and instructional quality.
