**DIVISION TRAINING ON ICT-BASED ASSESSMENT FOR KEY STAGE TEACHERS**

TO: Asst. Schools Division Superintendent  
 Chief Education Supervisors  
 Education Program Supervisors  
 Elementary and Secondary Heads  
 All Other Concerned

1. In line with the Department of Education's thrust to integrate technology in instruction and assessment, and to improve learning outcomes, the Schools Division of Batanes will conduct a Division Training on ICT-Based Assessment for Key Stage Teachers.
2. This initiative supports the implementation of DepEd Order No. 10, s. 2024, which promotes the seamless integration of digital tools in the teaching and learning process, and DepEd Order No. 34, s. 2022, which recognizes ICT as a foundational element in instruction and assessment under the K-12 Basic Education Program. Furthermore, it contributes to DepEd's broader preparation for international large-scale assessments such as the Programme for International Student Assessment (PISA) and other global benchmarking efforts.
3. This training aims to capacitate teachers in the use of digital tools—both offline and online—in designing, delivering, and managing ICT-based assessments. These sessions will cover *AI-assisted test-item generation, digital quiz platforms, interactive presentations, typing proficiency tools, and learning management systems*, among others.
4. The training will be conducted in two phases. **Phase 1**, intended for **elementary** level, will be held on **August 2-3, 2025** (Saturday and Sunday) at the **Ivatan Conference Hall**. **Phase 2**, for the **secondary** level, will follow on **August 9-10, 2025** (Saturday and Sunday) at the same venue.
