DIVISION MEMORANDUM

No. 123, s. 2022

DISTRIBUTION OF DRRM IEC MATERIALS AND ADVOCACY

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Elementary and Secondary School Heads
All Others Concerned

1. The DepEd Memorandum 33, s. 2021, was issued to guide public schools in preparing and responding to tropical cyclones, floods, and other weather-related disturbances and calamities.
2. It's important to advocate for the use of DRRM Information Education Campaign (IEC) materials to remind learners of what to do before, during, and after a disaster. Learners should practice and master the proper execution and mechanics of the given protocols.
3. In harmony with this, all schools in the division are encouraged to conduct an advocacy program during the last week of April 2023 to refresh learners on the conduct of fire, earthquake, flood, and tsunami drills. They will use IEC materials provided by the Schools Division Office, and the Division Disaster Risk Reduction and Management Coordinator will monitor the activity.
4. This is for your information, dissemination, and compliance.
